

## The Difference is in the Details

All steel is not created equally. Morton's exclusive Hi-Rib Steel is the industry's toughest and outlasts all others.

- .019" thick/26-gauge commercial quality steel
- Hi-Rib™ steel is 25% thicker than panels used by most builders
- Up to 57% more load pressure versus other builders' panels
- 1" tall major rib spaced on 12" centers
- Roll-formed at Morton plants & not purchased from outside suppliers
