ORDER SEALING OR REDACTING COURT RECORDS
PURSUANT TO (2013 SUPP.) K.S.A. 60-2617

NOW on this 1st day of MAY 2014, the Court considers the request of the parties to seal or redact Second Agreed Order for Records.

The Court, after reviewing said pleading and considering the safety, property, or privacy interests of a litigant, or a public or private harm that predominates the case, and further, after determining that such interest or harm outweighs the strong public interest in access to the Court record, finds and Orders that the above referenced pleading should be filed under confidential seal and be kept in a confidential Court file unavailable to the public. Said pleading shall not be publically disclosed without the written permission of the Court.

BY THE COURT, IT IS SO ORDERED.
