

PUBLIC NOTICE

*Without public notices in
the newspaper, you're left guessing.*

Public notice is your right to know about the issues that directly affect your life.

And, you can easily find public notices in your local newspaper. Without public notices in the newspaper, you're left to guess about

what the government is doing in your community and how elected officials are spending your tax dollars.

Your local newspaper fulfills an essential role in serving your right to know. After all, it shouldn't be your responsibility to know how to look ... where to look ... when to look ... and even what to look for in order to be informed about public information. It is the government's responsibility to notify you of public information, and your local newspaper is the most accessible place to find it.
